→ Introduction:-

- College plays an important role in personality development of students.
- This is the need of the hour as it is essential for the holistic development of students and their survival in this competitive world.
- On 7th September 2023, conducted a personality development session in Room 305 on the premises of MESWCOE for 2nd year students.

→ Objective:-

- The session was conducted to help the students develop an impressive personality and makes you stand apart from the rest.
- Personality development also plays an essential role in improving one's communication skills.

→ Activities:-

- Respected Prof. Anil G. Dandekar, conducted the following activities:-

i) He explained the importance of 5 D's in personality development:-

i. Discipline:-

- Discipline creates habits, habits make routines, and routines become who you are daily.
- The value of discipline is the way to do what needs to be done.
- Not only does practice allow one to establish a positive action.
- It helps us train our minds and body and

enables us to focus on our goals and regulate our emotions.

iii. Destination

- Getting destination helps target new behaviours, helps guide your focus and helps you sustain that momentum in life.
- ~~Goal~~ Destination also helps align your focus and promote a sense of self-mastery.
- We must tend to value things in the present moment much more than we value things in the future.

iii. Diligence

- Diligence helps to build discipline, confidence and resilience.
- It also opens up new opportunities for personal and professional growth, such as career advancement or pursuing a new hobby.
- By staying committed and diligent, you can achieve your goals and become proficient in your craft.

iv. Dream

- Dreams can be understood as aspirations and ambitions of a person to achieve a target or a goal in life for at an individual level or for a social cause.
- To achieve success, in true spirit in your

life, dreams play a very significant role.

- They give meaning to an individual's personality.

v) Determination:

- Determination is important because it helps people overcome challenges and achieve their goals.
- Determination is the ability to persist on the face of difficulties and setbacks and to keep working towards a desired outcome.
- Determination can help people develop skills, learn from mistakes, and overcome obstacles.

2) He advised us to complete courses from the following organizations/sources:-

i) NPTEL

- NPTEL stands for National Programme ^{on} Technology Enhanced Learning.
- NPTEL aims to partner with organizations in a mutually beneficial manner by offering courses to train the freshers in the companies and to cross-skill and up-skill the existing workforce.

ii) SWAYAM portal

- SWAYAM is a programme initiated by Government of India and designed to achieve 3 cardinal principles of Education policy viz, access, equity and

quality.

- The objective of this effort is to take the best teaching learning resources to all, including the most disadvantaged.
- SWAYAM seeks to bridge the digital divide for students who have hitherto remained untouched by the digital revolution.

→ Outcome:-

- Through the session we were encouraged to inculcate the following points:-
 - i) Develop skills, to embrace change, handle setbacks, and thrive in dynamic work environments.
 - ii) Build self-confidence, overcome self-doubt, and be able to assert oneself in professional settings.
 - iii) Importance of goal setting, health and the 5 D's of personality development
 - iv) Information regarding ~~courses~~ like extracurricular activities like courses.
