Orphanage Visit Report

Introduction

- To sensitise and make us aware about the under privileged children and to inculcate the feeling of sympathy among us students.
- This activity helps students to understand that they have larger responsibility towards the society and its wellbeing other than their own studies and career progression.

Objective

- To sensitise and make students aware about the under privileged children and to ~~enact~~ inculcate the feeling of sympathy among students.
- Being in line with the vision of the orphanage and working in educating children in non traditional education.
- Interviewing children to understand their mindset.
- Reaching /aiming ~~one~~ one particular area to develop in the orphanage - in a follow-up meeting.

Venue

- Udyog Dham Sanchalot "Aniket Niketan", opp. Talegaon General Hospital, Talegaon Phavade.
FOR EDUCATIONAL USE

Activities

- The following activities were conducted

1. Storytelling session:-

- It was a 1 hour session of a storytelling workshop where a team of 5 children were formed which was moderated by our fellow organisers.
- The task was to create a story with team effort in the shortest time possible
- Upon finishing the task one volunteer from each team shared the story with us.

2. Understanding of operational modality of the orphanage:-

- The entire orphanage is run with only 3 paid staff
- One lady in charge of the wellbeing of the children, one lady looking after to cooking roles and another lady looking after the cleaning roles.
- There are 4 leaders elected by the children for each of the bedrooms
- Though they are called leaders but they were actually room monitors.
- These 4 leaders elected by report to a

senior leader on day to day activity and grievance management

3. Session on architecture of orphanage

- The place comprises of 4 bedrooms upstairs whose 28 girls stay.
- Ground floor has an IT room, security room, dining space, kitchen, storage and admin space
- The place was very clean and structured
- The discipline ~~etc~~ etiquettes were very disciplined.

out come

- All students and faculty members were sensitized towards the life and needs of underprivileged kids.
- Students have memorable time with kids by playing games and engaged in different activities with them.
- Important lesson about "small contributions helps a lot" by engaging them in donation collection activities and utilizing in some socially beneficial activities.
